- CTO’s will be required to have an active commercial account in containerchain.com in order to pre transact “Notifications”.

Returning an Empty Container

- All containers being returned to Sea Containers WA will require a “Container Return Advice” transaction to be completed by the CTO in containerchain.com prior to the truck arriving at the park.
- All “Container Return Advice” containers being returned to Sea Containers WA will require a “Notification” to be made by the CTO in containerchain.com prior to the truck arriving at the park.
- All “Notifications” will require the truck registration number to be recorded by the CTO prior to the arrival of the truck at the park.

Picking Up an Empty Container

- All containers being collected from Sea Containers WA will require a “Container Pick Up Advice” transaction to be completed by the CTO in containerchain.com prior to the truck arriving at the park.
- All “Container Pick Up Advice” transactions will require a “Notification” to be made by the CTO in containerchain.com prior to the truck arriving at the park.
- All “Notifications” will require the truck registration number to be recorded by the CTO prior to the truck arriving at the park

6. Notification Times information

- Notification times will be in 30 minute windows.
- Notifications will be made available 48 hours prior.

7. Container Fees

- A Container Fee is applicable for each “Notification”
- The Container Fee applicable for Sea Containers WA is \$10.00 plus GST Per container
- The Container fee will be reviewed annually and subject to CPI and business cost increases whichever is greater.

8. Truck Arrival Procedure

- Based on Safety and operational considerations, Sea Containers WA have an expectation for trucks to arrive during the nominated “Notification Window”.
- When a truck driver arrives at Sea Containers WA’s container control office, the driver will be required to quote either the “**Notification Number**” or their truck “**registration number**” to the Container Controller, as well as provide a delivery docket. This information is used to identify and activate the transaction in the site operating system. Upon verification of a valid Notification, the truck driver will then be directed where to proceed.
- If a truck arrives at Sea Containers WA earlier than the nominated “Notification Window”, based on safety and operational considerations, Sea Containers WA may be required to request the driver to exit Sea Containers WA and return during the nominated “Notification Window”.
- If a truck arrives at Sea Containers WA later than the nominated “Notification Window”, based on safety and operational considerations, Sea Containers WA may be required to request the driver to exit Sea Containers WA and re notify for a subsequent “Notification Window”. In this case further Container Fees will apply.

- If a truck is serviced during the nominated “Notification Window”, the Containerchain system will indicate the performance of the CTO in respect of that “Notification” as being “On Time”.
- If a truck is serviced before the commencement of the nominated “Notification Window”, the Containerchain system will indicate the performance of the CTO in respect of that “Notification” as being “early”.
- If a truck is serviced after the expiration of the nominated “Notification Window”, the Containerchain system will indicate the performance of the CTO in respect of that “Notification” as being “late”

9. Failure to Arrive for a Notification

- If a truck fails to arrive on the day of the “Notification”, for reporting purposes, the performance of the CTO in respect of that “Notification” will be considered “Unutilised”.
- “Unutilised Notifications” will be charged the “Container Fee”

10. Arrival Without a Notification

- If a truck arrives at Sea Containers WA without a “Notification” Sea Containers WA will not be able to service the truck.

11. Cancelled Notifications

- A “Notification” can be cancelled by a CTO up to 60 minutes prior to the commencement of a “Notification Window” and the “Container Fee” will not be charged.
- If a “Notification” is cancelled by a CTO after this time the “Container Fee” will still be charged.
- Sea Containers WA may also be required to cancel a “Notification” on behalf of a CTO due to internal operational issues. If this occurs the CTO will be advised by email and the corresponding “Container Fee” will not be charged.

12. Invoicing

- Container Fees will be invoiced to CTO's by containerchain.com
- Invoices are raised monthly and represent all activity for the preceding month.
- Invoice payment terms are fourteen days from invoice
- Outstanding invoices will result in a CTO's Containerchain account being suspended
- Reconnection of a suspended account will attract a reconnection fee of \$100.00 + GST

13. Dispute Resolution

- If the intended container return or pick up from a "Notification" does not occur due to a contributing factor from Sea Containers WA. The CTO is required to log the issue with containerchain.com Help Desk within 60 minutes of the truck departing Sea Containers WA. This is to enable any potential invoice dispute regarding the "Notification" to be addressed.
- Disputed invoices can be taken up with containerchain Help Desk.
