In relation to container pick-ups all official gate out receipts are emailed to the designated email address in your Containerchain account. No gate out receipts will be printed on site.

We will continue to provide container seals to drivers when they have been provided by the shipping line. If a seal is required, the driver will need to stop at the main office before entering the loading area in order to be given a seal. In addition to the above, when creating a notification please ensure that door direction is specified.
